Sohel Ahmed

Bangabondhu Hall, Sylhet Engineering College, Sylhet
sohelahmed1583@gmail.com
+880-1781-169599

Technical Skills

- Programming Technologies: **C/C++ , Java ,Python, SQL , Django, JavaScript, HTML/CSS**
- Data Science: **Python with NumPy, Pandas and scikit-learn**

Activities

- Experienced in problem solving using C++ Programming Language.
- Participated in **ACM ICPC Dhaka Regional 2018 and 2019**.
- Placed 45th at **LU National ICT Fest Programming Contest 2018.**
- Compete in many **IUPC** contests including **NCPC 2018 and 2020**.
- Take part in more than **150** online contest and solved **1200+** problems on various online judges.
- Specialist on Codeforces and my highest rating on **Codeforces is 1491.** Profile : **sohel_sec**
- Highest rating on **Codechef is 1713**. Profile: **sohel_sec**
- Participated in many contests on Toph including reply contest of different IUPC contest and maximum rating on **Toph** is **1692.** Profile**:** **sohel_sec**
- **Lightoj Profile**: **Sohel Ahmed** **, Uva** Profile: **sohel_sec**
- Solved many problems on **dynamic programming, graph theory, math, geometry & probability**

Education

2016 - Present **B.Sc in Engineering: Computer Science and Engineering**
Sylhet Engineering College, Sylhet
CGPA: 3.54 out of 4 (up to 3rd year 2th Semester)

Academic Project

- **Project Title:** (Web App) Automatic Question Paper Generator
  Short details: The teacher(admin) can add questions with marks, access modifier (PUBLIC , PRIVATE , PROTECTED) and tags(for favorite question) with an associated subject. User(teacher) can generate question paper with given subject, marks, semester etc. The question paper must include favorite questions and the remaining questions can be taken randomly or by the choice of teacher.
  Implement with the following technologies **- Django, Bootstarp, HTML, CSS**
  Project link(**Github**): **sohel-sec**

Notable Experience

- Mentor of junior contestants at Sylhet Engineering College.
- Problem setter of SEC Intra Campus Programming Contest, CSE Fest 2020
- Worked as a senior member at SEC Programming club.
- Worked as a member at SEC Developers club.
